## Chasing Cell Phones

Date: May 10, 2019

Time: 0800-1700

***“Traditional investigative techniques and tools don’t work as well as they once did. Don’t let the vital evidence on a cell phone disappear.”***

**COURSE DESCRIPTION:**

This course will explore the methods of exploiting a suspect’s cellular phone, phone company records, and third-party data sources records to assist investigations involving narcotics trafficking, homicide, sex crimes, gang related crimes, identity theft, and other types of criminal activity. This course will also increase law enforcement officers’ awareness and appreciation of the evidence and intelligence located in a mobile device and provides students with the tools and knowledge required to prepare search warrants to legally obtain that evidence. Additionally, the updated warrant requirements and language for 2019 will be covered.

**Each student will receive templates for search warrants for cellular phones, call detail records and other information, and contact information for cellular service providers.**

**COURSE TOPICS:**

- Cell Phones Legalities
- Bypass Procedures for Passwords
- Dealing with Service Providers
- GPS Data & Records
- Data From Applications
- Deleted Data Recovery

**Law Enforcement, Probation & Corrections Only – Credentials are Required**
