SO CAL Bloods & Crips

Date: May 8, 2019

Time: 0800-1700

"From the West Coast Gang Explosion in the 1980's and 90's to the Infiltration of the Rap Industry, the Evolution and Influence of Black Gangs has plagued California with Violent Crime and Public Fear."

COURSE DESCRIPTION:

STC Certified!!
STC #5291-080850

This course eight (8) hour course will examine black gang migration to the West Coast, the culture and criminal enterprise of black criminal street gangs. This course will begin with the foundational culture and advance to the current culture, criminal dynamics, jail/prison politics and radicalization. The influence and connections between institutional gangs, the narcotics trade, the music influence, prostitution and trafficking will be examined.

This course will also focus on the Black Street Gang identification, structure, symbols, tattoos, recruiting methods as well as the crack cocaine and the music industry connection. Innovative investigative techniques and strategies to combat the evolving crime trends will also be discussed. This is an imperative course for all facets of Law Enforcement and Corrections!

COURSE TOPICS:

- History & Structure
- Symbols & Tattoos
- Investigative Strategies
- Recruiting Methods and Tactics
- Influence/Politics of Prison Gangs
