Interviewing Techniques for Law Enforcement

Date: June 14, 2019

Time: 0800-1700

“An interview is an exchange of information, however, how you elicit the information will determine if the interview was a success or not.”

COURSE DESCRIPTION:

**This course is STC certified!!
STC# 5291-068285**

This unique course is based on the most recent applied behavioral science research in conducting interviews with both minors and adults. The course will examine interviewing verses interrogation and how pertains to interviewing cooperative and uncooperative, hostile and other problematic individuals. This course will examines case studies of effective skills, how to initiate interviews, exercises, scenarios and actual case evaluations. The importance of understanding of the cultural influences, outside influences (TV and media), current trends and verbal and non-verbal indicators (body language) will also be examined.

Additionally, the course will include Miranda issues, juvenile law issues and applicable case law decisions. This is an excellent course for Investigators, Patrol, Corrections, Parole, Probation and Supervisors.

Active Corrections & Law Enforcement Only – Credentials are Required to Attend

INSTRUCTOR:

Sean Van Leeuwen has 27 years of Law Enforcement experience. As a Detective, Sean investigated complex and high-profile cases involving child abuse and sexual assault. Sean teaches throughout the state to law enforcement on the topics of child abuse, sexual assault, suspect interviewing and interrogation, victim interviewing and investigative techniques. Sean has been an adjunct professor of criminal justice at a local community college for 10 years and has traveled internationally to teach sexual assault investigation and interviewing techniques.
