Interrogation Techniques for Law Enforcement

Date: July 11, 2019

Time: 0800-1700

COURSE DESCRIPTION:

STC Certified! STC# 5291-68421

This course is based on the most recent applied behavioral science research in the field of Interrogation. The curriculum is evidence based, field validated and was developed in collaboration with subject matter experts. The focus will be on Planning, Preparation, Management Persuasion, Techniques and Strategy. Topics include impression management, priming, motivation, establishing a rapport, identifying deception, reading body language and Miranda. Juvenile interviewing techniques and issues will also be discussed.

The course includes lecture, facilitated discussion, cognitive skills, and practical exercises as well as provides effective strategies, methods and processes to obtain and extract information. This is an excellent course for Investigators, Patrol, Corrections, Parole, Probation and Supervisors.

For All Public Safety, Probation & Corrections Personnel

INSTRUCTOR:

Sean Van Leeuwen has 27 years of Law Enforcement experience. As a Detective, Sean investigated complex and high-profile cases involving child abuse and sexual assault. Sean teaches throughout the state to law enforcement on the topics of child abuse, sexual assault, suspect interviewing and interrogation, victim interviewing and investigative techniques. Sean has been an adjunct professor of criminal justice at a local community college for 10 years and has traveled internationally to teach sexual assault investigation and interviewing techniques.
