Social Media For Law Enforcement

Date: May 7, 2019 Time: 0800-1700

Don't Miss This Highly Sought After Course With Only 65 Seats Available!!

COURSE DESCRIPTION:

STC Certified!!
(STC # 5291-068352)

Social media platforms and communication technology has developed rapidly and continues to evolve. This eight-hour course is imperative for all law enforcement personnel to understand the profound affects of social media and the criminality associated with it. An examination of social media sites like Twitter, Facebook, Instagram, Formspring, Snapchat, Google Plus and others will demonstrate how they are used for influencing crime and the exploitation of on-line sex, impersonation, identity theft, human trafficking, child pornography, and illegal narcotics activity.

This course will also demonstrate how criminals use social media applications ("apps") and other social networking platforms to conduct and conceal criminal activity. Flash mob crime sprees, current drug trends, on-line purchasing of illegal narcotics, understanding of the most current designer drugs available and how drugs and sex referenced and sold as well as key indicators and examples of what should you be looking for will be covered in depth.

ALL Law Enforcement, First Responders & Corrections Personnel

INSTRUCTOR:

The instructor has over 25 years of law enforcement experience and has conducted hundreds of on-line and social media investigations. He was assigned to the Vice / Narcotic Unit as a Detective for 9 years where he conducted narcotics investigations and worked in undercover operations selling and purchasing narcotics. The instructor has taught narcotic enforcement and social media investigations for law enforcement venues across the country & was awarded the CNOA Narcotic Officer of the Year.
